

Brancepeth Alive Drama Group Summer 2020

There will be two Brancepeth Alive Drama Groups each with a maximum of six participants and two leaders.

- Sessions will be held once a week on Wednesday and Friday mornings from 10.00-11.15 for four weeks from Wednesday 29 July.
- On 26 and 28 August each group will record their work for their own use and for inclusion in the village archives. It will not be compulsory to share the recording if the participant does not want to, but we would like to have a written copy of the final monologue for the archives.
- The participants will work together and with the leaders to produce a short monologue on the subject of life with covid. This can be from their own point of view or from an invented character. For example, love in the time of covid, shopping in the time of covid, friendship in the time of covid ...Look forward to seeing you, **Martin Peacock & Gillian Smellie.**
